[Internal Medicine Journal: Images and Case Reports](#) accepting journal of Internal Medicine, research journal in Internal Medicine, journals accepting Internal Medicine research articles, Internal Medicine pubmed indexed journal, images in Internal Medicine journal, image journals in Internal Medicine, case study in Internal Medicine journal images etc. Internal Medicine Journal: Images and Case Reports is the official journal of Internal Medicine. It promotes improved patient care, research, and education in primary care, general internal medicine, and hospital medicine. Its articles focus on topics such as clinical medicine, epidemiology, prevention, health care delivery, curriculum development, and numerous other non-traditional themes, in addition to classic clinical research on problems in internal medicine.

Journal Homepage: <https://www.literaturepublishers.org/>

Internal Medicine Journal: Images and Case Reports is the official journal devoted to promoting science and practice in internal medicine in all over the world. To this end, the journal publishes original articles, editorials, reviews, internal medicine flashcards, and other information relevant to internal medicine and related fields. Translational medicine

and clinical studies both receive attention by the Journal. Internal Medicine Journal: Images and Case Reports has the ambition to become the place for the publication of excellent clinical studies; however, this target is intended to be associated with the improvement of the quality of health care in Internal Medicine in the hospitals.
